Horton Cooley: Concept of the Looking Glass Self. Introduction. Cooley was influenced by approaches such as Pragmatism and Darwinism. Even though Cooley was influenced by Weber, Cooley's examination was more psychological than Weber's. Cooley's most significant contribution was his idea of the "looking-glass-self." Charles Horton Cooley - California State University ... Charles Horton Cooley Quotes Institutions - government, churches, industries, and the like - have properly no other function than to contribute to human freedom; and in so far as they fail, on the whole, to perform this function, they are wrong and need reconstruction. Charles Horton Cooley - Institutions - government... Cooley's Human Nature and the Social Order is a landmark in the emergence of sociological social psychology. Most famous for its introduction of the ideas "the looking-glass self," the book presents his psychological view how a society operates. The perspective might be called "introspectionist sociology," premised as it is on the idea that society exists as a set of ideas among its members.
