Traditional Sit Down ... The death of the brokerage - The Real Deal New York Death is frequently imagined as a personified force. In some mythologies, a character known as the Grim Reaper causes the victim's death by coming to collect that person's soul. Other beliefs hold that the Spectre of Death is only a psychopomp, serving to sever the last ties between the soul and the body, and to guide the deceased to the afterlife, without having any control over when or how the victim dies. Death is most often personified in male form, although in certain cultures Death is perc Death (personification) - Wikipedia The supply chain is the heart of a company's operations. To make the best decisions, managers need access to real-time data
