book From the Fatherland, With Love by Ryu Murakami (pictured), has no time for such fudges. A hefty novel of more than 600 pages, it takes its invasion scenario seriously – well, at least some of the time.

Although the English translation came out this year, the novel was originally published in Japan in 2005, imagining events in 2011.

... From the Fatherland With Love | MangaUK From the Fatherland, with Love is an epic dystopian novel by Ryu Murakami, published in 2005. Set in a not too-distant future, it centers on the invasion of Japan by a small but ruthless and highly trained North Korean troops, who held the residents of Fukuoka hostage. Love (Literature) - TV Tropes From the Fatherland, with Love is quite a fascinating (and completely damning) national-character study: Japan and North Korea both are presented as societies and systems that have twisted themselves into painful, rigid knots, leaving them terribly vulnerable. Murakami set the novel slightly in the future when he wrote it, but the global financial crisis that came soon after it was published and Japan's continuing economic malaise make the Japan he writes about seem even closer to the one it ... LibraryThing Murakami's 'From the Fatherland, With Love' is an action packed page turner. The detail on North Korea, weaponry, Japanese culture and much beside, is well researched and engaging. The Japanese government and other world powers are pusillanimous, feeble and weak in dealing with the brutal North Korean invasion of Fukuoka.
