schools Guidelines for the implementation of the Australian ... The only thing that changes over time for portfolios that follow a strategic asset allocation approach is that they might get more conservative over time. Young investors are typically told to start out with high stock allocations, and then gradually over time the stock allocation within their portfolio decreases and the bond allocation increases. Asset Allocation: The Ultimate Guide for 2020 The proper asset allocation of stocks and bonds by age is important. However, there is no 'correct' asset allocation. There is, however, an optimal asset allocation I'd like to share in this post. Your asset allocation between stocks and bonds depends on your risk tolerance. Are you risk averse,
