Zealand developed from ideas about democratic and progressive education in the late nineteenth century. The creation of an education system that aimed to reduce inequalities and enable social mobility was an important goal for New Zealand's early educational reformists. History of education in New Zealand - Wikipedia Legislation giving effect to the proposed new era in education came into force on 1 October 1989. Over the next two decades the reforms were to impact upon most aspects of New Zealand education. There has, however, been little consensus concerning either the original motive for the reforms or their effect. Picot Report/"Tomorrow's Schools" - DEHANZ 1. If secondary education curriculum is to meet the challenges of
