Social art is the application of arts and creativity towards the transformation of individuals, groups and societies by working with your target audience as opposed to for them. = November 2017 A Social art practice is one where the artistic and creative medium is but a tool too transform the actual canvas that is people, groups and societies. What is social arts? - ASA Social practice is an art medium focusing on engagement through human interaction and social discourse. Since people and their relationships form the medium of such works - rather than a particular process of production - social engagement is not only a part of a work's organization, execution, or continuation, but also an aesthetic in itself: of interaction and development.
